

EssilorLuxottica

Essilor Instruments cordially invites you to attend Vision Expo West to celebrate the significant expansion of EssilorLuxottica into the medtech space.

Please visit us in the EssilorLuxottica booth (#P14051) to talk with five OD experts in the booth, receive daily insights from an in-office-finishing expert, view our collection of refracting antiquities, and enjoy a light-therapy treatment, all the while taking advantage of our show specials.

2025 VISION EXPO WEST BOOTH #P14051
