

EssilorLuxottica

Vision Innovation Summit

SWITCH

March 9-11, 2026

Orlando, Florida

Announcing the SWITCH Keynote Speaker:
Meet the voice shaping the future of human-centric AI

SWITCH is proud to
welcome **Rana el Kaliouby,**
Ph.D., one of the
world's leading voices at
the intersection of artificial
intelligence, emotion and
human-centered technology.

RANA EL KALIOUBY, PH.D.

AI Pioneer • Global Tech Leader •
Bestselling Author

Rana will deliver a future-forward keynote exploring how human-centric AI is transforming innovation in vision, wearables, and beyond. Drawing on her groundbreaking research, entrepreneurial journey, and global leadership, she will share inspiring insights on the role of emotion, ethics and inclusion in building technology that truly serves patients.

*Join us at SWITCH to explore the future
of human-centric AI*
