

EssilorLuxottica

Don't miss out on additional profit.
Bring finishing in-house!

vision
expo
BOOTH #728

Since 1954, Essilor Instruments has been a pioneer in the finishing industry, offering robust and high-performing edging systems to boost your productivity and expand your capabilities.

Why add in-house finishing to your practice:

- Better control
- Faster turn time to enhance efficiency
- Higher margins to increase your bottom line
- No extra staff needed

Showcase customization and personalization possibilities.
